

APPROVED QUALITY

Process Standard Offset

EDS ROMÂNIA S.R.L.
Parcul Industrial Braşov, DJ 103C
507075 - Ghimbav - Braşov - România

has successfully passed an extensive examination according to the standards of ISO 12647-2 Process Standard Offset. All test values and results range within the extent of tolerance.

Contents of examination:

- Qualified colour management
- Creation of contract proofs
- Standardized platemaking
- Print run with web offset printing machines according to Process Standard Offset

The results are documented in the test report 110111/DP.

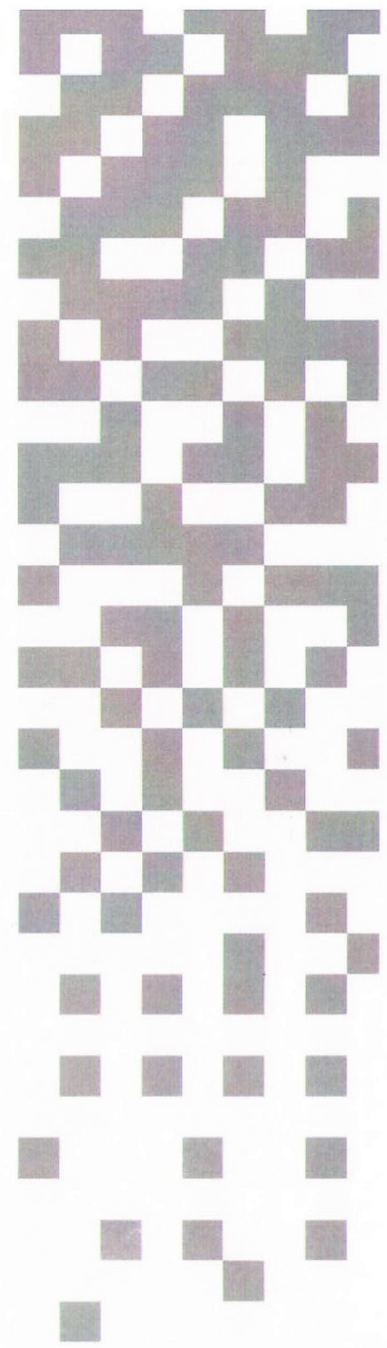

Fogra and the German Print and Media Associations confirm and certify the verified competence and quality of the certificate holder.

This certificate is valid until February 28th, 2013.

On behalf of Fogra Forschungsgesellschaft Druck and Print and Media Associations, February 2011

Dr. Eduard Neufeld
